Kytun™ Dry Ridge Capping

ALUMINIUM DRY RIDGE CAPPING

Product Details

Kytun™ Ridge Capping provides a cost effective alternative to traditional ridge tiles, on roofs with either natural or man made fibre cement slates.

It provides a neat, maintenance free, lightweight and totally weatherproof finish to your roof.

Product Features

Fully compatible with most roofing applications on the market.

Advantages:

- Lightweight and Durable.
- Extremely easy and quick to install.
- Requires no maintenance once installed.
- Extensive range of colours available.
- Less obtrusive than traditional ridges for bay and conservatory roofs.

Dimensions

C05S/C05 Aluminium

Overall length: 3000mm
